Took part in two week courses regarding:

- AI and machine learning
- Computer Programming

WORK EXPERIENCE

IBSA Italy Lodi, Italy

Business or Sector Information and communication

Information System intern

24/06/2024 – 12/07/2024

Interned at IBSA farmaceutici italia srl, shadowing it personnel.

This experience allowed me to:

- Gain insights about the role of an IT office in a MNC.
- Gain understanding of what day to day tasks of system administrator are.
- Understand how classroom material translated into practice, putting hand on real examples.
- Understand the phases of implementation of a new information system within the setting of the Antares expansion project
 - Particularly the implementation of new server infrastructure.

SKILLS

COMPUTER SKILLS

use object-oriented programming | use functional programming | SQL | use microsoft office | use concurrent programming | Python (computer programming) | S
cala

PERSONAL & TEAM SKILLS

think analytically | think proactively | time management | show initiative | show
intercultural awareness | work in teams | think critically

LANGUAGE SKILLS

MOTHER TONGUE(S): English | Italian

Other language(s):

Spanish

Listening B2

Reading B2

Writing B2

Spoken production B2

Spoken interaction B2

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

HONOURS AND AWARDS

22/05/2025 American School of Milan

Excellence In Computer Science award

HOBBIES AND INTERESTS

Interests:

Motorsport, Mathematics, linguistics, Programming
